TEST SERIES SYLLABUS

Test Number	Test Type	Syllabus	Number of Question, Marks & Time
TEST No.-1	Basic Test-1 (Classroom and Online Test)	<p>Pharmaceutics- Pharmaceutical Technology (Solution, Suspension, Emulsion, Semisolid, Suppositories, Tablets, Capsule, Microencapsulation, Sterilization, Sterile Products, Aerosols, CDDS, NDDS etc.). Pharmaceutical engineering (Filtration, Size reduction, Size separation, Crystallization, Drying, mixing and Distillation etc.)</p> <p>Pharmacology- Pharmacological principles (Pharmacokinetics, pharmacodynamics, Aspects of Pharmacotherapy, Adverse drug effects, Clinical Trials) Drugs acting on ANS, CNS & PNS System.</p> <p>Chemistry- Physical Chemistry, Synthesis, SAR & Metabolism of drug acting on ANS, PNS and CNS Drugs.</p> <p>Pharmacognosy:- Analytical pharmacognosy, Plant tissue culture, Biosynthetic pathway, WHO guidelines, Resins, Tannins, Lipids(Fixed and Volatile oils)</p> <p>Pharm Analysis- Flame photometry, Fluorimetry. Assay of different drugs, Gravimetric analysis, Titrametric analysis.</p>	75, 300, 90 min
TEST No.-2	Basic Test -2 (Classroom and Online Test)	<p>Pharmaceutics- Physical Pharmacy (Rheology, Colloids, Interfacial phenomena etc.) , Cosmetics Technology (Lipstick, Shampoo, Creams, Nail preparation, <i>Depilatories</i>, Dentifrices etc)</p> <p>Pharmacology- Antimicrobial agents (Sulfonamides, Beta-Lactum antibiotics, Tetracyclines and Chloramphenicol, Aminoglycosides, Macrolides, Antitubercular Drugs, Antileprotic drugs, Antifungal drugs, Antiviral drugs, Antimalarial drugs, Antiamoebic , Anthelmintic drugs) Anti-cancer, Immunosuppressant compounds. Autocoids(Histamine, Prostaglandins, Leucotrienes, Serotonin), Antigout & Antiarthritis. Respiratory system.</p> <p>Chemistry:- Autocoids, NASIDS, Antigout and Antiarthritis, Antimicrobial agent I (Sulfonamides, Beta-Lactum antibiotics, Tetracyclines and Chloramphenicol, Aminoglycosides, Macrolides, Antitubercular Drugs, Antileprotic drugs, Antifungal drugs, Antiviral drugs, Antimalarial drugs, Antiamoebic, Anthelmintic drugs). Synthesis, SAR & Metabolism of drug acting on cancer.</p> <p>Pharmacognosy- Alkaloids, Carbohydrates.</p> <p>Pharm Analysis- Spectroscopic Principle (UV & Visible spectroscopy, IR ,NMR, Mass Spectroscopy , ESR, etc.)</p>	75, 300, 90 min

TEST No.-3	Basic Test-3 (Classroom and Online Test)	<p>Pharmaceutics- Dispensing Pharmacy</p> <p>Pharmacology- Pharmacology of Hormones and related drugs. Drug acting on blood & blood forming agent & GIT, Drugs acting on urinary system (Electrolyte balance & Diuretics), Respiratory System</p> <p>Chemistry- Organic Chemistry, Different name reactions and their mechanism. Chemistry of Hormones, Synthesis, SAR & Metabolism of drug acting on Renal system and Synthesis, SAR, metabolism of drug acting on blood system & GIT, Hormones and related drugs chemistry.</p> <p>Pharmacognosy- Glycosides</p> <p>Pharm Analysis- Potentiometry, Amperometry, Conductometry & Polarography (Basic principle & instrumentation).</p>	75, 300, 90 min
TEST No.-4	Basic Test-4 (Classroom and Online Test)	<p>Pharmaceutics- Biopharmaceutics, Forensic Pharmacy- Schedule, Pharmacy Act, D&C Act and Rules.</p> <p>Pharmacology- Drugs acting on CVS.</p> <p>Chemistry- Inorganic Chemistry, Synthesis, SAR & Metabolism of drug acting on CVS.</p> <p>Pham Analysis- Chromatographic Techniques. ESR (principle), Thermal Technique (DSC & DTA). Mass spectroscopy & X- Ray's diffraction.</p> <p>Biochemistry- Metabolism, of carbohydrate, lipid, protein & Nucluc acid, Biochemical role of hormones, Vitamins, Enzymes etc).</p> <p>Biotechnology- Biotechnological principals, Vaccines and sera, Immunology.</p> <p>Microbiology- Introductory part of microbiology, microbial assay, Serological & Diagnostic tests & Sterilization technique</p>	75, 300, 90 min
TEST No.-5	Mock Test-1	Full Syllabus	125, 500, 180 min
TEST No.-6	Mock Test-2	Full Syllabus	125, 500, 180 min
TEST No.-7	Mock Test-3	Full Syllabus	125, 500, 180 min
TEST No.-8	Mock Test-4	Full Syllabus	125, 500, 180 min
TEST No.-9	Mock Test-5	Full Syllabus	125, 500, 180 min
TEST No.-10	Mock Test-6	Full Syllabus	125, 500, 180 min
TEST No.-11	Mock Test-7	Full Syllabus	125, 500, 180 min
TEST No.-12	Mock Test-8	Full Syllabus	125, 500, 180 min
TEST No.-13	Mock Test-9	Full Syllabus	125, 500, 180 min
TEST No.-14	Mock Test-10	Full Syllabus	125, 500, 180 min
TEST No.-15	Mock Test-11	Full Syllabus	125, 500, 180 min

FREQUENTLY ASKED QUESTION(FAQ)

Ques. Why should I Purchase GDC Online Test

Ans.

1. Feel the Real Exam Environment through our test series.
Our all test containing everything which you are expected to face in exam
Exact Exam Pattern based questions
Test Series has been designed by the highly experience subject experts.
2. Review and enhance your performance
Check Your Score Card and rank Status
Performance Analysis
Detailed Solution of important question, Mail and Phone Support 24 X 7

Ques. Is there any free demo test

Ans. Yes, you can attempt one free demo test after that you decide to buy the online test.

Ques. How can I join Online Test Series?

Ans: You need to perform the following steps to join the GDC Online Test Series:
